

REMARKS

Claims 58-82 are pending in the present application. The Restriction Requirement has been considered. Favorable consideration is respectfully requested.

The Examiner has required an election between two purported inventions, specifically, Group I, comprising claims 58 through 66 and Group II, comprising claims 67 through 82. Applicants hereby elect for examination claims 58 to 66 of group I for examination at this time. To advance prosecution and without conceding the merits of the restriction, this restriction is made without traverse.

In view of the above remarks, Applicant respectfully requests consideration on the merits.

If the Examiner has any questions, he is invited to contact the undersigned at 202-628-5197.

Respectfully submitted,
